Support Chromecast solution

● ● ●

Customise an add on Google Chromecast to TV HDMI 1 and configured on esTV controller. Guest can select Chromecast for easy casting.
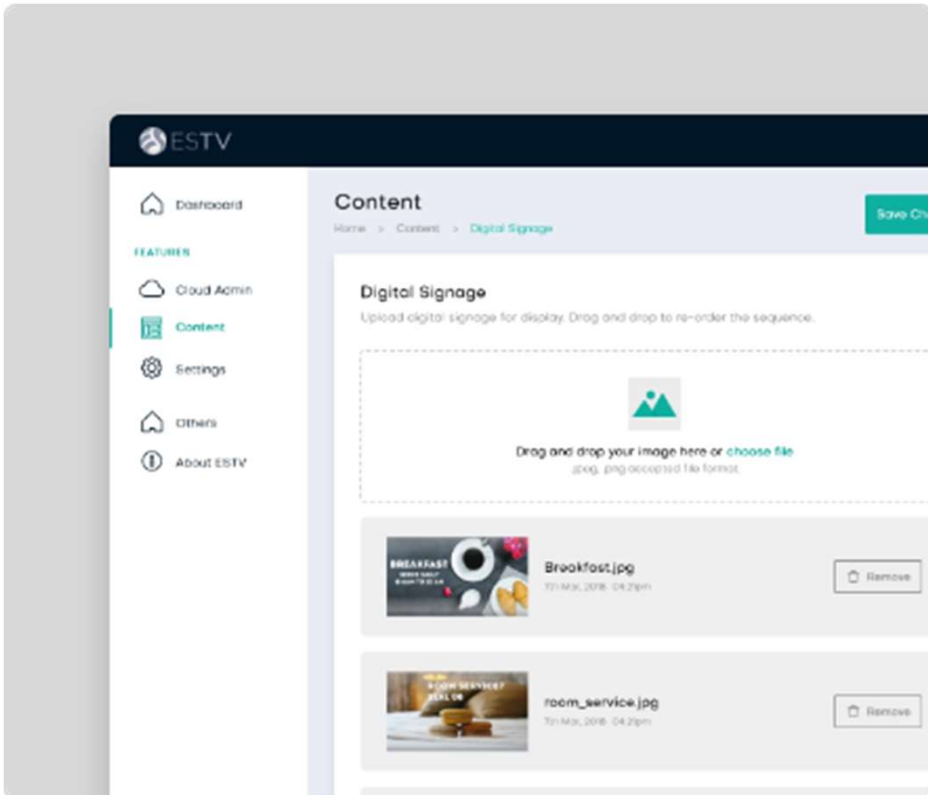

Fully customized theme to suit your hotel's branding. ● ● ●

Targeted promotional advertisements, digitized hotel information, instant communication to guests via real time scrolling text message, social media entertainment apps & seamlessly casting content from guest mobile devices by connecting to hotel guest wireless network.

Centralized cloud content management system ● ● ●

Manages all the scheduling, digital signage content, important text messages and is conveniently accessible to view, upload, and manage efficiently and securely.

The system supports PMS Interfaces such as Opera & HMS.
